Sheriff Rebecca Smith

Chief Deputy David Kristof

Dear Menominee County Resident,

Winter 2019

The transition into 2019 brings big changes for our office. The first change we would like to share with you is our new records management system, Zuercher. Within this system we can store a multitude of information. If you do not have a security system this information does not apply.

The Sheriff's Office recognizes that most of you have secondary/weekend properties in Menominee County. We also recognize that you have security systems of some sort and we are in favor of that. Security alarm systems serve as useful deterrents to crime. The presence of an alarm system not only reduces your chance of being burglarized but can minimize any loss in the event of a burglary.

In the past our office has experienced inadequacies with security system monitoring centers. It is common for these centers to have minimal information and many times it is out of date. Current information is crucial for us to provide you with proper service. This Zuercher system is able to store all the information we need to contact you or a keyholder in an even that your property needs immediate attention.

Enclosed you will find a registration form that our office has generated to collect your valuable information to store in house, in Zuercher.

The second change we would like to share with you is an update to an out dated ordinance from 1992. This ordinance directly pertains to those of you that have residential alarms. This includes fire, burglary, security and whether those alarms are monitoring a shed, camper, garage or home.

The Menominee Board of Supervisors approved this ordinance in January 2019. It specifically requires you to register your alarm system with our office. There is a \$25 yearly registration fee that should be included with the enclosed/attached form and **sent back no later than March 31st, 2019**. Per Ordinance #69 registration and yearly fee is mandatory.

We strongly recommend that you review the Alarm Ordinance #69 on the Menominee County's website- www.co.menominee.wi.us – departments – sheriff tab.

Thank you in advance for this consideration, please feel free to contact the Sheriff's Office with questions or concerns.

Sincerely,

Rebecca Smith
Sheriff #1201
